EVENTS, SUPPORTING PROGRAM

TOP OF EUROPE ICE MAGIC

«Top of Europe Ice Magic» is the name of the ice-skating dream that will transform the centre of Interlaken into a winter wonderland from December to February. «Ice Magic» is situated directly opposite of the Hotel Metropole and will consist of various-sized ice-skating rinks linked by an approximately 400-metre-long runway curving between them. Please ask us for an offer!

EVENTS

We are constantly organizing special events, such the Dinner Mystery shows, the 13-course Gourmet Dinner, a Sunday brunch and more. Please stay informed about our current events by checking on our webpage under “Specials” or contact us directly.

SUPPORTING PROGRAMS

Interlaken is the perfect starting point for many excursions into the mountains, onto the lakes, to go hiking or to arrange for a guided climbing tour. We can also arrange for a supported program through the hotel which depends on your available time in the region.

We would be pleased to submit an individual offer by our experienced partner [Jungfrau Tours](#). To guarantee your best experience on that outing, we kindly ask you to let us know your expectations in regards to time, budget and profiles of participants.
